Re: Concerts Under the Stars

Dear Groups,

Thank you for your hard work and dedication to this event. My father's goal with his giving has always been to create opportunities for those who, given the chance, would raise themselves up and thrive.

Working with Dad and the foundation staff, we have decided starting this year, we will have one concert night. I know this is a big change but knowing how committed you all are to your service, I have confidence you have put the previous years' concerts proceeds to work and are more than able to adjust.

To the newer groups who have not been with us so long, you got in at the perfect time to witness this transformation and be a part of the amazing legacy of Herb and the Hafif Family Foundation. Dad and I are working together to not only ensure the Foundation continues to be around for years to come but also to ensure that his legacy continues to shine through our service.

Thank you,

Greg Hafif
President
